Re: Public Information Request

Dear Mr. Martinez:

On behalf of the Montgomery County Sheriff's Office, this is a response to your letter in which you request to inspect certain records in the Sheriff's Office custody and control. In particular, you seek to inspect the following records:

"Pursuant to the Maryland Public information Act, I hereby request the following records:

Any internal documentation - including notes, slide shows or presentations, audio recordings, video recordings, etc - relating to the agency's participation in the executive track titled "Making Threat Analysis Actionable" given at the 2019 International Association of Chiefs of Police LEIT Tech Conference and exposition in Jacksonville, FL (other known as IACP LEIT 2019)."

The Montgomery County Sheriff's Office is not a custodian of records responsive to your request and therefore your request has been denied.

To the extent that your request to inspect records has been denied by the Montgomery County Sheriff's Office, you may have a right to file a complaint with the Montgomery County Circuit Court to obtain judicial review of this decision.
